

Let's get reflective!

Date:	Activity summary:
Learning intentions:	
What went well? Which activities or discussions would you like to use again?	
What didn't work? How might you change a discussion or an activity to make it more effective next time?	
What happened that you didn't expect? What additional avenues of interest emerged?	
What are children beginning to understand and what are they still struggling with? How might you reinforce the more challenging concepts in upcoming activities?	
What next? Where now?
